

What is.. Write It Right?

Dynamics is pleased to announce that we are starting a **Handwriting Group Program**.

Our aim is to help your children improve on their writing skills: **legibility, quality, speed and organization skills on paper.**

The group will be conducted in a small group setting by our Occupational Therapist in a fun manner to motivate your children to participate and will include:

- Handwriting games and fun activities
- Direct training in handwriting skills
- Multi-sensory approach for better quality of writing
- Group activities to improve social skills and the ability to cooperate together
- Homework will be given to the children at the end of each session to help integrate their newly acquired skills at the home environment
- A brief summary of progress will be given to the parents at the end of the group

3 groups will be run based on the child's age:

- Play & Write Prep (ages 4-6)
- Play & Write Fun (ages 6-8)
- Play & Write Advance (ages 8-10)
